Description:

Discovering God's Vision for Your Life: You and Your Spiritual Gifts is a complete set of integrated resources that congregations can use to establish a spiritual gifts ministry.

The *Haugk Spiritual Gifts Inventory (HSGI)* is made up of two booklets. As part of the eight-hour spiritual gifts discovery course, the *HSGI* guides participants through the process of identifying and exploring their spiritual gifts. In Part I, course participants answer a set of 200 questions to identify their spiritual gifts. Part II helps them interpret the inventory, presenting the scriptural foundation for each gift and exploring the ways these gifts can work together in ministry. Course participants use the *HSGI* in conjunction with the *Participant Manual*.

The *Haugk Spiritual Gifts Inventory (Parts I and II)* is included in the *Leader's Planning Set*. Each course participant will need a copy of both parts of the inventory.
