Bill Hybels is founder and Senior Pastor of Willow Creek Community Church. What if you knew that by simply crossing the room and saying hello to someone, you could change that person's forever? Just a few steps to make an eternal difference. It has nothing to do with methods and everything to do with taking a genuine interest in another human being. All you need is a heart that's in tune with the Holy Spirit and a willingness to venture out of your "Circle of Comfort" and into another person's life. This study brings personal evangelism into the 21st century. Hybels shows how we can participate in the model first set by Jesus, who stepped down from heaven 2,000 years ago to bring hope and redemption to broken people living in a fallen world. Now it's our turn to have a life-changing impact for someone standing a few steps away. And for us as well, as we learn the power of extending care, compassion and inclusiveness under the guidance of the Holy Spirit.
