In this video-based study, the group will learn to direct everyday steps according to "whispers" from God. Through firsthand accounts spanning more than 30 years spent in the trenches of ministry, Hybels' passion is to invite every Christ-follower to learn how to live with one ear perpetually tuned to heaven and how to meticulously obey every syllable of input received. In the powerful yet practical small group Participant's Guide, you will learn how to discern the "voice" of God from the other voices that vie for your attention, how to invite his input into your daily routine, how to "practice" his presence and how to allow heaven-sent input to direct your life toward making a kingdom-oriented difference in this world.
