

## THE LOWDOWN!

We will be partnering with Rural Mission Inc. an organization that serves and ministers to the spiritual, economical, social, educational, medical, and housing of residents of Johns Island and surrounding areas since 1969.

The week will be spent connected with a homeowner, church, or community organization for a work project. The projects could include construction, renovation, repairs, roofing, insulation, drywall, and painting.

The physical work on the work site is only part of the mission; in fact it is just an excuse to build relationships with the people we are serving and the team we are serving with. We will begin and end the day with prayer, teaching, and worship in order to help us focus on the reason we are there, to love God and love others.

\*Thanks to all the hard work at the Dance-a-Thon the cost of materials and supplies for the work projects are funded which makes the cost of the mission trip much lower!

## COST

\$100 deposit due

### YOUTH

early bird

**\$250**

(ends May 31)

regular registration

**\$300**

(ends June 16)
