FAMILIAR TUNES ON THE SAXAPHONE, *Keith Neer*

When folks ask Keith how long he's been playing the saxophone, he tells them he started when he was 12, so it's been about 10 years!! Keith took a 46 year break after high school to raise a family and retire from The Kroger Company before he picked up the instrument again. Keith always liked music and sang in church choirs as well as 10 years in a local mixed quartet. He has found great reward in playing in a local band and performing for area church groups and retirement communities.

Join us this Valentine's Day to be entertained by Keith

MOVIE/DOCUMENTARY: "JANE"

Drawing from over 100 hours of never-before-seen footage, award-winning director Brett Morgen tells the story of JANE, a woman whose chimpanzee research challenged the male-dominated scientific consensus of her time and revolutionized our understanding of the natural world. The film offers an unprecedented, intimate portrait of Jane Goodall — a trailblazer who defied the odds to become one of the world's most admired conservationists.

We will begin a little after 10:00 am in order to be finished close to 11:30 am. *Popcorn will be served!*
