Concert With The Circle Singers

Circle Singers, a mixed-voice, adult chorus has been in existence since the 1950's and traces its roots to the General Electric Glee Club at the nearby GE Aircraft Engines plant. Since then, the group has become a community chorus and performed under several different names, the last being The Patchwork Singers. In the Autumn of 2000 the group realized that most of its members lived in places close to I-275 - the "circle" freeway around the greater Cincinnati area - and changed its name to Circle Singers. Circle Singers repertoire includes a wide variety of musical styles: Broadway favorites, contemporary, patriotic, folk, spirituals, classical, religious, and old standards.

OUTREACH TO THE COMMUNITY & THE WORLD, Pastor Kate Smith

WELCOME CENTER

Hyde Park Community UMC is proud to be a community church! Members of this faith community live out our faith through action locally, nationally, and internationally. Over the years, we have formed partnerships with local and global organizations, actively engaging in service and building relationships. Active local partnerships include Habitat for Humanity, Interfaith Hospitality Network, Madisonville Education and Assistance Center, Rothenberg Preparatory Academy, Wesley Chapel Mission Center, and the Center for Respite Care. The global partnerships expand "community" to an orphanage in Tijuana, Mexico, a school in Port au Prince, Haiti, and United Methodist Churches in Samara, Russia and Cluj, Romania. Pastor Kate, who oversees Mission & Outreach, will be sharing updates about each of our local and global partners as well as information about Summer Impact and a new initiative, Super Serve Saturday!

MOVIE—"STAN AND OLLIE" LITTLE THEATRE

Stan & Ollie is a 2018 biographical comedy-drama film based on the later years of the lives of the comedy double act Laurel and Hardy. The film focuses on details of the comedy duo's personal relationship while relating how they embarked on a grueling music hall tour of the United Kingdom and Ireland during 1953 and struggled to get another film made. The film is 97 minutes long so we will **begin the show shortly after 10:00 am** rather than 10:30 am.
